## **ANNUAL QUALITY ASSURANCE REPORT (AQAR)**

**BY**

**IQAC, GOVT. COLLEGE FOR WOMEN, LUDHIANA**

Name of the Institution : Government College for Women, Ludhiana

Year of Report : 2010-11

### **Part-A**

#### **Plan of Action & Its Outcome**

The IQAC had planned the following actions towards quality enhancement in the beginning of the year:

- To make Carrier and Placement cell more active. Lectures on Personality development by eminent guests from within and outside the campus.
- More furniture is needed. Repairing of broken furniture.
- To purchase generator for uninterrupted power supply.
- To procure more computers and upgradation of the existing ones.

### **Outcome**

The following results were achieved by the end of the year:-

- More computers were purchased alongwith WiFi routers.
- Geysers and RO were purchased for the hostel.
- One generator was also procured.

### **Part B**

#### **1. Activities Reflecting Goals and Objectives of the Institution:**

##### **(A) Goals and Objectives**

- (i) To bring about physical, intellectual, emotional and ethical integration of an individual so as to evolve a complete person with basic values of humanism, secularism and democracy which enable to give full response to social and environmental changes.
- (ii) To develop the faculties of thinking, analysis and a habit of learning in an individual in order to enable them to realize their maximum potential, increase general awareness and to impart education of excellence.

- (iii) To provide many courses in humanities and social sciences as essential to retain human touch.
- (iv) To develop and promote a scientific temper best suited for increasingly technologically oriented environment.

**(B) Activities**

- The teaching faculty tried hard to lay emphasis on the understanding of the fundamental basic principles and appreciation of inter-linkage, learning by observation, analysis and reasoning rather than simple acquisition of knowledge. Hence activities such as seminars, quiz, paper reading, group discussions etc. are always given due importance in every department.
- Different clubs such as Rotract Club, NCC, NSS, Women Forum, Youth Club, Guru Gobind Singh Study Center etc. remain active throughout the year. The students are enlightened about the dignity of labour. Practice of democratic processes in the various activities of students are encouraged. Co-curricular activities are given special importance. Emphasise is given to moral values and special lectures are delivered from time to time for the same.
- Subjects such as music (PG), Fine-Arts (PG), Home-science, Sociology, Psychology, Philosophy etc. empower them professionally as well as inculcate finer values of life.
- Apart from providing good quality education, the institution also encompasses the whole arena of life by cultivating an integrated look. Alongwith academic programmes such as Seminars, Quiz, Extension lectures by intellectual stalwarts are also organized. GCW also tries to organize cultural programmes of different levels.. In the fields of sports too, our achievements have been commendable both qualitatively and quantitatively.
- We have tried to get good placements for the students. Seminars are organized by the corporate sectors to generate carrier awareness amongst them.
- Not forgetting that women as mothers and wives have a pivotal role to play in bringing about healthy changes in the society, we have focused on this aspect under the aegis of 'Women Forum'.

Hence, the slice of life given to the students of Govt. College for Women this year will help them cultivate an integrated view of life and achieve an inner richness which will make life more meaningful for them at an individual and societal level.

### **39. Healthy Practices of the Institution**

- Practice of democratic processes in the various activities of students are encouraged. To start with 'Student Council' – an apex students' body is an extended arm of the college faculty. It organized various events, helps in maintaining order and discipline, forms a bridge between the administration and the students so as to create an amicable atmosphere which in turn would help the institution to move faster towards achieving their goals.
- All the departments/faculties have their own society which is run by the students. They elect their Presidents, Secretaries etc. and organized lectures, seminars,

paper-reading contests, quiz, debates, plays etc., of course, under the able guidance of faculty members. This helps in developing their all round personality, widen their horizon to think, analyse and conclude, to realise their own potential and work for a better society.

- Our college also encourages to celebrate many festivals collectively in the premises like Teej, Diwali, Lohri etc. in order to instill the values of co-operation, sharing, brotherhood etc. It also helps them to know the art of time-management. Not only the festivals, our college also celebrates National Days with great enthusiasm and love.
- Many workshops are held time to time to aware the students of their surroundings, needs of today, to install confidence in them. Workshops like 'How to conduct Group Discussion', valuable tips on public speaking, learning of professional arts like mural painting, meenakari, silk painting, lamination, inlay works, glass painting (which are the demands of today) etc. are held. This help the students to start their own business at a small scale. Hence Self-Entrepreneurship is taught to them.
- The students' participation is always encouraged. Many departments like Commerce, Science, Punjabi, Music etc. encourages the brilliant students to take up some of the topics to teach the junior classes as well as in their own classes. Peer-learning has become one of the important tools in the teaching methodology.
- To weave ethical and moral values into the fabric of students' personalities, the college has the student wing of Guru Gobind Singh Study Circle. Its main objective is to rejuvenate spirituality among the students. This helps the students to be more tolerant, humble, co-operative and empathetic.
- To create conducive environment and to provide platform to raise and discuss women related issues, 'Women Forum' has been established in the college.
- Various societies like debate societies, English literary society, Punjabi sahit Sabha are constituted where the students and the teachers make an endeavor to give a platform to the budding talent. The students selected these level are sent for competition at zonal, inter zonal, national level under the aegis of youth welfare department of the college.
- The college publishes an annual magazine deepika which comprises of seven sections related to different departments. They give their opinion not just about personal but also social, economic, political, scientific, technological and environmental issues that are troubling the society of today.

- Students are motivated by college for entrepreneurship. College encourage the students practically. Fine arts students sell their products during festivals, Home Science students run canteen in the college same days. Computer Science students develop softwares for games or quiz etc. There students also earn by designing web sites.
- Environmental Education is compulsory for all the 1<sup>st</sup> year students of the college. Vanmahautsav is celebrated every year in the month of July. In which students are made aware regarding the importance of trees. Various Lectures, Poster Making Competition are organized on the theme of climate change and Environmental education. Various Audio/visual aids are also used to sensitize the student on the issue of climate change and environmental. We are also having environmental section in the college magazine and student editor for it.
- The College has a set mechanism of personalized student teacher interaction in the form of tutorials. The students meet their tutors regularly once a week and the issues related to them are discussed and conveyed to senior tutor and in turn to the principal. It was by realizing the needs of the students though these interactions that many efforts towards proving better facilities according to their need have been made.
