## **Part B**

### **1. Activities Reflecting Goals and Objectives of the Institution:**

#### **(A) Goals and Objectives**

- (i) To bring about physical, intellectual, emotional and ethical integration of an individual so as to evolve a complete person with basic values of humanism, secularism and democracy which enable to give full response to social and environmental changes.
- (ii) To develop the faculties of thinking, analysis and a habit of learning in an individual in order to enable them to realize their maximum potential, increase general awareness and to impart education of excellence.

- (iii) To provide many courses in humanities and social sciences as essential to retain human touch.
- (iv) To develop and promote a scientific temper best suited for increasingly technologically oriented environment.

**(B) Activities**

- The teaching faculty tried hard to lay emphasis on the understanding of the fundamental basic principles and appreciation of inter-linkage, learning by observation, analysis and reasoning rather than simple acquisition of knowledge. Hence activities such as seminars, quiz, paper reading, group discussions etc. are always given due importance in every department.
- Different clubs such as Rotract Club, NCC, NSS, Women Forum, Youth Club, Guru Gobind Singh Study Center etc. remain active throughout the year. The students are enlightened about the dignity of labour. Practice of democratic processes in the various activities of students are encouraged. Co-curricular activities are given special importance. Emphasise is given to moral values and special lectures are delivered from time to time for the same.
- Subjects such as music (PG), Fine-Arts (PG), Home-science, Sociology, Psychology, Philosophy etc. empower them professionally as well as inculcate finer values of life.
- Apart from providing good quality education, the institution also encompasses the whole arena of life by cultivating an integrated look. Alongwith academic programmes such as Seminars, Quiz, Extension lectures by intellectual stalwarts like Dr. J.S. Neki (Retd. Director PGI and an eminent Poet and Psychiatrist), Dr. Kirpal Singh Dr. Prithi Pal Singh Kapoor (eminent historians) etc. GCW also tries to organize cultural programmes of different levels. While programmes like Talent Hunt help in bringing out the best in our students, the institution takes care that they are face to face with the artists who have achieved greater heights in their respective fields. In the fields of sports too, our achievements have been commendable both qualitatively and quantitatively. One of our student Kiranjit has been declared the most valuable player of Asia.
- We have tried to get good placements for the students. Seminars are organized by the corporate sectors to generate carrier awareness amongst them.

- Not forgetting that women as mothers and wives have a pivotal role to play in bringing about healthy changes in the society, we have focused on this aspect under the aegis of 'Women Forum'.
- To keep our students in touch with their rich cultural past, we've created a 'Herbal garden' and 'Heritage Village' in the college.

Hence, the slice of life given to the students of Govt. College for Women this year will help them cultivate an integrated view of life and achieve an inner richness which will make life more meaningful for them at an individual and societal level.

### **39. Healthy Practices of the Institution**

- Practice of democratic processes in the various activities of students are encouraged. To start with 'Student Council' – an apex students' body is an extended arm of the college faculty. It organized various events, helps in maintaining order and discipline, forms a bridge between the administration and the students so as to create an amicable atmosphere which in turn would help the institution to move faster towards achieving their goals.
- All the departments/faculties have their own society which is run by the students. They elect their Presidents, Secretaries etc. and organized lectures, seminars, paper-reading contests, quiz, debates, plays etc., of course, under the able guidance

of faculty members. This helps in developing their all round personality, widen their horizon to think, analyse and conclude, to realise their own potential and work for a better society.

- Our college also encourages to celebrate many festivals collectively in the premises like Teej, Diwali, Lohri etc. in order to instill the values of co-operation, sharing, brotherhood etc. It also helps them to know the art of time-management. Not only the festivals, our college also celebrates National Days with great enthusiasm and love.
- Many workshops are held time to time to aware the students of their surroundings, needs of today, to install confidence in them. Workshops like 'How to conduct Group Discussion', valuable tips on public speaking, learning of professional arts like mural painting, meenakari, silk painting, lamination, inlay works, glass painting (which are the demands of today) etc. are held. This help the students to start their own business at a small scale. Hence Self-Entrepreneurship is taught to them.
- IQAC of the college is actively chalking out the action plans towards quality enhancement. During the session, it helped in arranging the healthy discussions between the Principal and all the departments (one to one basis) on various issues such as active participation of the students, use of audio-visual aids etc. It also helped the Principal to have an insight into their problems like lack of funds, to improve the labs, need of more equipments etc. which in turn increase the efficiency of various administrative processes. The faculty members were thus motivated to commit to product quality by doing the right thing at the right time.
- A special cell for Physically challenged students has been set up to look into the specific needs and requirements of physically and visually challenged. The students are encouraged to showcase their special talent in all spheres. At the Annual Athletic Meet, Lakhwinder Singh, a blind student showed his exceptional skill in driving a motorcycle.
- 2006-07, being a SPQA year, students' participation was encouraged. Many departments like Commerce, Punjabi, Music etc. came forward to start a new concept of teaching learning by encouraging the brilliant students to take up some of the topics to teach the junior classes as well as in their own classes. Peer-learning has become one of the important tools in the teaching methodology.
- In order to motivate the gardeners, a chrysanthemum show is organized every year. The winners are honoured with cash prizes.
- To weave ethical and moral values into the fabric of students' personalities, the college has the student wing of Guru Gobind Singh Study Circle. Its main objective is to rejuvenate spirituality among the students. This helps the students to be more tolerant, humble, co-operative and empathetic.
- To create conducive environment and to provide platform to raise and discuss women related issues, 'Women Forum' has been established in the college.
- To motivate fresh graduates to seek self-employment, the Department of English motivates especially the students of Functional English to take up their training with different organizations every year. This year our students have been selected as New Anchors & are currently working with Channel No. 1, Zee Network, City Cable, NDTV etc.
