### ABOUT DEPARTMENT OF SOCIOLOGY

Sociology refers to the scientific study of society. It is a social science that focuses on society, human social behavior, patterns of social relationships, social interactions and aspects of culture associated with everyday life. Department of sociology has been established since 1943 in premises of Government College for Girls Ludhiana. Our vision aims to enable students to understand the important role of Sociology to bring positive change in the society. It also equipped students with a strong academic foundation that helps them to question critically, communicate and interact strongly or clearly. The mission of the Department is to develop critical thinking skills and appreciation for the social scientific method as a tool for understanding social problems and providing them quality educational program. It also enables students to become informed, effective and responsible members of the society. Our objective is to prepare students to enter into a wide range of career setting programs such as Government jobs, Social Services, Research Institutes and Community Organization. The department offers the B.A course to more than 250 students. The Department has one well qualified Assistant Professor with higher degree such as UGC NET.
