ACKNOWLEDGEMENT

At the every outset with the folded hands, I bow my hands reverence and dedicatedly accord by recondite to the "Almighty" Lord for blessing hand throughout my life.

Then I would like to express my heartfelt gratitude to **PROF. MRS SUMAN LATA(principal)**, GCG, LUDHIANA who admitted us in their college for betterment of our future.

This word will be least to avouch my special debt of gratitude to **PROF. BALDEEV SINGH (Head of Department of Computer Science)**, GCG Ludhiana for their considerate behavior sage suggestions, constant encouragement and guidance.

I express my deep sense of gratitude to my advisors **Mrs. RITU SETHI (Professor) Computer Science Department** and **Mrs. NIDHI DAWAR (Professor) Computer Science Department** for their judicious and ever stimulating guidance, supervision and constant encouragement during the project. I shall remain ever indebted for their care and affections during the course of investigation as well as in the preparation of this manuscript. Their multifaceted personality and commitment to work motivated and encouraged me to my work, even harder and hence developed right attitude not only for my work but also as a managed human being.

I pay my tribute and indebtness **MY PARENTS** for showering ultimate blessing on me and helping me to become able to present this humble. contribution to the knowledge of science.

I owe a great many thanks to a great people who helped and supported us in the development of this website report.

My deepest thanks to our lecturer **Mrs. Nidhi Dawar & Mrs. Ritu Sethi** (the Guide of the project) for guiding and correcting various documents of mine with attention and care.

She has taken pain to go through the project and make necessary correction as and when needed.

I express my thanks to the Principal **(Mrs.) Suman Lata of, Government College For Girls, Ludhiana** for extending her support.

First and foremost, we would like to thank supervisor of this project, **Mrs. Nidhi Dawar & Mrs. Ritu Sethi** for the valuable guidance and advice. He inspired us greatly to work on this project. His willingness to motivate us contributed tremendously to our project. We also would like to thank for providing us with a good environment and facilities to complete this project. Also, we would like to take this opportunity to thank to the Computer science department for offering this subject, Computing Project. It gave us an opportunity to participate and learn how to create application.

Finally, an honorable mention goes to our families and friends for their understandings and supports on us in completing this project. Without helps of the particular that mentioned above, we would face many difficulties while doing this project.
